SUBJECT,

School Funds

Dear Mr. Evans:

Will you please inform me what funds I can draw on and to what extent? In case of destitute natives what shall I do? Mr. Sickers told me he had \$25 last year to buy incidentals and that he saved \$10 out of it to recalk the school house with moss. This will just about do it and I am about to have it done on this account. They tell me the building was terrible cold last winter, and I must have it mossed before the snow comes or else it will be impossible to get any. Please advise me if I am right.

Very truly yours,
Leah H. Jones,
Teacher U.S.B. of Ed.
