SUBJECT, Pencils

Dear Mr. Evans:

520 11/11
We are in great need of some cheap lead pencils to be used in the school room. There are only two dozen pencils in our present stock and they will not go very far. If you think the order is alright, will you please fill out the requisition and forward pencils to me by mail. Many of the children are very poor and half the time will be without pencils if we do not supply them. I will see that they take good care of any that may be sent for their use.

Respt. yours,

Charles Jones,

Teacher U.S.B. of Ed.
