One sheet Sept. 26, 1917SUBJECT, Right to Marry,

Dear Mr. Evans,

Will you inform me if I have the ex-officio right to marry couples coming to me. If I have, what fees I must collect according to law? I ask this because we are so far from the U. S. Commissioner's office at Kiana or any other persons with authority to perform such a rite.

Very respectfully yours,
Leash Jones.

Teacher U. S. B. of Ed.
