Dear Mr. Evans,

I received your letter in regard to ceiling up stairs. I will not put window in until I hear from you. I have not much time to write as the boat expects to pull right out today.

Will you send any balance on my personal voucher to Miss Edith M. Jones, Custer, Washington by P.O. order or as you think best.

We are moving slow up here but I think we are gaining ground every step. We like the place and the people and they seem to like us.

Very truly yours,
Lehas W. Jones.
