Mr Evans

Nome Alaska

Dear Sir

in regard to those
Brindser that those
natives I left with me
a couple years ago I
have not forgotten about
them. My wife having
been sick so long
has worked an awful
hard ship on me
and I have not been
able to straighten it
up with them of course

if I had been able to
of disposed of them for
cash the Natives would
of had there money
long ago. if you are
in communication with
them or will tell me
where I can leave the
money I will fix it
up with them just as
soon as business picks
up this summer which
I think will be very
good thanking you
in advance I Remain
Yours Sincerely B.D. Lutz
