Mr. B.D. Lloyd,

Shelton,

Alaska

Dear sir;-

Yours of June 15th concerning the reindeer account held against you by the reindeer boys is received and contents noted. You say that you can pay this account this summer. The natives have had to wait so long that they insist on some kind of a settlement. I therefore enclose a note payable on demand and without interest up to October first, and with 10 % interest after that time. Please sign same and return and you can take it up at any time. The account ought to bear interest if not paid soon.

Very truly yours,
