BUREAU OF EDUCATION

ALASKA DIVISION

WASHINGTON

Seattle, Washington.

August 4, 1909.

Mr. A. N. Evans, Asst Supt.,

Nome, Alaska.

Dear Sir:

Upon May 19th you were authorized by the Commissioner of Education to expend from the appropriation for Education 1910 the sum of \$150.00 in the erection of a residence at Kobuk. Upon July 21st another authorization was given you for the same purpose amounting to \$800.00 upon the recommendation of Mr. Lopp. At the time Mr. Lopp made his recommendation for the authorization of \$800.00 he was not, I believe, aware of the previous authorization.

Upon July 21st there was also given you an authorization of \$1600.00 to expend in the completion of the school house at Selwaik.

It is much to be desired that we have returned to the original fund before the close of navigation such parts of these authorizations as will not be needed for the purposes for which they were given.

Very truly yours,

  
Chief of Alaska Division.
