Dear Friend, Mr Lewis Reich was here to collect freight. I paid him for 5 tons of Personal freight, Paid (\$50.00) fifty dollars. He claims his expenses of delivery the Gov. freight was (\$350) three hundred and fifty dollars, you have the tonnage of Gov. Freight that was brought up here. Mr Reich had all the Gov freight on his launch and lighter, except 153 cu. ft. of lumber that Ed. Borden had on his Launch, I could not settle with him as I understood you to say that you would see him when you went back to Candle
