

Feb 13/1908  
Mr. Cross,  
Kotzebue Alaska.

Dear Friend, I write  
to let you know the Deer from  
Aniakleet arrived 20 mile  
below here, today the Chiefherder  
came here handing me the  
rules and regulations of the Raindeer  
in Alaska also a letter from  
Mr. Lopp and only sent one  
set of apprentice contracts I would  
be glad if you could come at once  
to select a place or territory for  
deer, as it is a new work for me  
although I will do best I can under  
circumstances and use much  
care and precaution in doing  
but I can. You had better have  
some rice, come up here for there  
was no rice come here for the appren-  
tice boys. Some flour also as Mr. Lopp  
stated to me to trade flour for cutting wood  
so I have use 13 sacks for wood and two or three  
sacks have been destroyed by mice eating the  
gunny.
