My dear Mr. Evans:

I am enclosing account of bldg. supplies as I have had to deal with them.

The account will remain the same for the summer as I shall not need to use any more of the supplies.

I rec'd. your letter, <sup>dated Pt. Hope - Mar. 20,</sup> in regard to Cross and his letter concerning the new store, a few days after you left. You had better bring your mail with you next time! Enclosed was a letter to me from "Naakinkuk." Who is he?

You must have sat down on Cross pretty heavily, because altho' I have had two mails from Waks since you left, he has not written a word - and he usually sends me three or four pages of "fatherly advice".

I am enjoying solitude now. Held school April 30th and <sup>the next night</sup> May 1st, there was not one native left. I trust your eyes are in good shape now with best wishes. Sincerely yours,

In haste
