Kotzebue March 10/15

My dear Mr. Audley: -

I am sorry that I did not write you for Kivalina but I did not get at it. We had a fine trip across. Got to the Kivalina head that day with little trouble.

John for Absik is to get his deer (88) for Kivalina. If he comes to you send him over to Kivalina where there is a letter for him.

Hope you had a good trip back to Khatik - wish you a good spring. We saw little wood on the beach so you had better stay at Khatik!

With best wishes
Water Shield

I shot a dog in defense of
the deer! Mucky, all right!
