Mr. Clarence Analey,
Noatak, Alaska.

Dear Sir:-

When I got back home to Oksik I did not find any letter from Mr. Shields, and none has come yet. When Mr. Shields comes to your place I wish you would please have him to send me a letter right away so that I can get my reindeer. I am having a very hard time this winter because I cannot get my deer for market with which to buy food and clothing for my family.

Yours truly,
Peter Garfield.
