Mr. C. Masley,

Neotak, Alaska.

Dear Sir:

I have been informed by Mr. Sinclair that he has figured out the tonnage on the school supplies carried by Mishek at more than 4 5/6 tons, as figured by you and consequently it is your pleasing duty to inform Mishek that he has \$85.60 coming instead of \$72.50 as you imagined.

The checks were sent to me and I therefore enclose herewith for Mishek Mr. Quarles' checks for \$2.78 and for \$82.82, which you will kindly pass on to Mishek.

Very truly yours,

Superintendent N.W. District
